

APSIG

Asia Pacific Special Interest Group

ELEKTA AWARD 2021

The Elekta logo features a stylized blue 'E' composed of three overlapping circles of varying sizes, followed by the word 'Elekta' in a bold, blue, sans-serif font.

The Better Healthcare Technology Foundation's **Asia-Pacific Special Interest Group** (APSIG) is excited to announce the **2021 Elekta Award**. This year's award will enable a number of Medical Physicists from across the Asia-Pacific to receive **a free registration** for on-line attendance at the Engineering and Physical Sciences in Medicine (**EPSM**) virtual conference, 7th -10th November 2021 (epsm.org.au). This is the national conference of the Australasian College of Physical Scientists and Engineers in Medicine. (ACPSEM).

The EPSM logo consists of the letters 'EPSM' in a bold, blue, sans-serif font. Below it, the text 'ENGINEERING + PHYSICAL SCIENCES IN MEDICINE' is written in a smaller, blue, sans-serif font, followed by 'CONFERENCE 2021' in a smaller, orange, sans-serif font.

7 - 10 November 2021
Brisbane Convention
& Exhibition Centre
Australia

This award is intended to further the education and professional development of our Award recipients as Medical Physicists, as well as providing opportunities to develop relationships with colleagues across Australia and New Zealand.

To be considered for the award, please complete the application form and submit by 22nd October 2021 along with the attached required documents to : apsig@acpsem.org.au. You will be notified if your application has been successful. To download the application form go to: betterhealthcaredtechnology.org/apsig-elekta-award or email apsig@acpsem.org.au for more information.
