Dr Kushal Narang

Theme-Consolidating the present and exploring the future.

Medanta Division of Radiation Oncology, welcomes you to the 14th Annual Conference of Indian Brachytherapy Society at Gurugram. The city is named after the most revered teacher in Indian history, Guru Dronacharya. The same city is often referred to as “Millennium City,” due to its rapid transformation and remarkable growth during the late 20th and early 21st century.

We invite you to participate in this forum that has been planned for in-depth teaching & peer - to peer discussions about Brachytherapy practices. We hope that your attendance will enliven & enrich the conference. The pre-conference workshop has been designed for residents and include basics of Brachytherapy Physics, Radiobiology and advanced techniques. 14th annual IBSCON will provide you an opportunity to network and create memories for times to come, with National and International faculty, peers and students.

Organizing Chairperson
Dr Tejinder Kataria

Organizing Secretary
Dr Susovan Banerjee

Abstract Submission IBSCON 2024.

There is **NO LIMITATION** on the number of abstracts per participant.

LAST DATE for submission of Abstracts: 15th June 2024

All abstracts must be emailed as an **MS WORD DOCUMENT** attachment to **ibskon2024medanta@gmail.com** with the subject **firstname_lastname_abstract_category**.

The email must be sent from the same email ID mentioned in the registration form. Please mention whether you would like to submit abstract for poster presentation alone or oral presentation also.

If abstract has been sent for oral presentation also, decision regarding selection for oral presentation will be done by scientific committee and will be informed to you over email.

Video presentation abstracts are encouraged and will be judged in a separate award category.

Best three Oral presentations & Video Abstracts will receive Certificates and Awards.

Registration for the conference is compulsory and will be verified prior to final abstract acceptance.

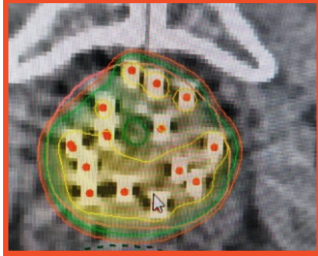

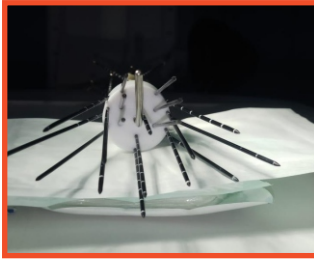

In case you wish to submit an abstract first and register for the conference later, kindly note that provisional abstract selection will be informed via email after the last date for abstract submission. Final abstract selection will be done by the scientific committee only if the author/ co-author(s) have registered for the conference within 3 days of provisional selection.

Abstract Categories

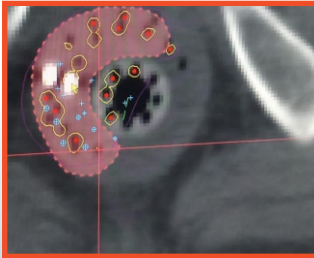

- Gynecological
- Uro-Genital
- Head & Neck
- Sarcoma
- Innovative Brachytherapy approach
- Video Abstracts
- Physics
- Synopsis/ Review of published Brachytherapy literature
- Miscellaneous

We encourage participants from all Oncology centres across India and abroad with or without any Brachytherapy facility to send abstracts.

Guidelines for Abstract Submission: Details available online
Guidelines for Video Abstract Submission: Details available online
