

**18th Annual Conference of
Association of Medical Physicists of India
(Northern Chapter)**

AMPICON-NC 2025

Theme:

**Adaptive Radiotherapy –
Present and Future**

April 26th & 27th, 2025

Hosted by

Department of Radiation Oncology

Fortis Memorial Research Institute, Gurugram, Haryana - 122002

Fortis MEMORIAL
RESEARCH INSTITUTE
GURUGRAM

Invitation

Theme: Adaptive Radiotherapy – Present & Future

Dear Colleagues,

On behalf of the Organizing Committee, we are glad to inform you that the **Fortis Memorial Research Institute (FMRI), Gurugram** will be hosting the **18th annual conference of AMPI-NC (AMPINC-CON2025)** during 26th and 27th of April 2025 and it is our proud privilege to invite you to actively participate in the conference.

The **Department of Radiation Oncology** of FMRI has the privilege of commissioning the **first MR Linac equipment** in Northern India which is the latest high-end technology in radiation therapy. So far more than 50 patients have been treated with MR Linac. Additionally, the department is equipped with state of art technologies with two linear accelerators (Elekta) and one brachytherapy equipment (Elekta/Microselectron V3). **Surface Guided Radiotherapy (SGRT/C-Rad)** has also been commissioned in the department recently.

The latest version of **Gamma Knife (Elekta/Esprit)** was commissioned this year. More than 150 patients have already been treated using this equipment.

The theme of the conference is **Adaptive Radiotherapy – Present & Future** and it is open to all professionals involved in the application of radiation in medicine, ranging from diagnosis to treatment of cancer, research and radiation safety professionals. Medical physicists, Clinicians, Scientists and Technologists, specializing in therapy and imaging will form the core group of participants and delegates in addition to the vendors involved in the design and development of equipment and technologies.

The conference aims to have invited talks to be delivered by practicing experts in various clinical modalities of radiation applications and the implications of radiation safety involved while employing these modalities. Delegates are encouraged to present papers on various aspects of work related to their professional involvement in the field of Medical Physics and related specialties.

We will try to ensure that this conference will be academically rewarding and memorable one.

We look forward everyone to contribute towards the scientific deliberations and welcoming you to the state of Haryana during April 26-27, 2025.

With best wishes,

Dr. Anil Kumar Anand
Organising Chairman

Dr. Radhakrishnan B Nair
Organising Secretary

National Advisory Committee

Dr. K. S. Parthasarathy, UK

Registration

| Category | Till 28/2/2025 | From 1/3/2025 To 15/4/2025 | Spot Registration |
|---|----------------|-------------------------------|----------------------|
| AMPI members | Rs. 2500/- | Rs. 3000/- | Rs. 3500/- |
| Non-AMPI members | Rs. 3000/- | Rs. 3500/- | Rs. 4000/- |
| Associate Delegate | Rs. 2000/- | Rs. 2500/- | Rs. 3000/- |
| Medical Physics students and Interns | Rs. 1000/- | Rs. 1250/- | Rs. 1500/- |

- Registration is mandatory for delegates presenting the paper.
- Student (full time) must submit their bonafide student certificate from their Head of the Department while sending registration form
- Registration Fee does not include accommodation charges.

Theme of the Conference: Adaptive Radiotherapy – Present & Future

Abstract Guidelines

- Registration is pre-requisite before submitting the abstract
- Abstract should be typed in word doc format (Times New Roman font, size 12) not exceeding 500 words
- Abstract should not have been submitted / presented / intended for presentation elsewhere before AMPICON-NC 2025.
- The name of the presenting author should be mentioned first, followed by the names of other authors. The affiliations of all authors must be stated.
- All abstracts will be reviewed by Scientific Committee and the presenting authors will be notified via email regarding acceptance.

Structure of the Abstract (Oral / Poster)

- Title
- Objectives
- Material and Methods
- Results & Discussion
- Conclusion
- References
- The last date for submission is **28th February 2025**.
- All abstracts must to be submitted by email to: drpratikkumar@gmail.com / malhotra.heigrujam@fortishealthcare.com / rkdiprp@gmail.com

Accessibility

Gurugram is a part of the National Capital Region (NCR) of Delhi and well connected to New Delhi and other major cities. Gurugram is located at 20 Km from New Delhi Airport terminals and 25 Kms from New Delhi Railway station. Gurugram Railway station is well connected to trains coming from western regions. The city is well connected by roadways as well.

You are requested to make your travel arrangements and book accommodation well in advance. Gurugram has enough available accommodation ranging from budget hotels to five-star hotels.
